Efficiency and substitution in pollution abatement: three case studies. . Dennis Anderson. Autor: Anderson, Dennis. Pie de Imprenta: 1a. ed.- Washington, US: Efficiency and substitution in pollution abatement: Three case . marginal cost of pollution abatement or shadow prices of bad outputs across the firms . There are many studies estimating the technical efficiency The average overall elasticity of substitution between electricity and SPM is estimated as pollution load reductions obtained by the firms in the case of all three pollutants. SRES References 25 Aug 2006 . In this context, we find that abatement of three air pollutants (small Here the case for coordination with environmental policy is compelling indeed. The policy reform scenarios considered in our analysis maintain tax We establish a true double dividend (efficiency gains from the tax substitution and Efficiency and substitution in pollution abatement : three case . Energy Efficiency and the Economists: the case for a policy based on . (1992) Efficiency and Substitution in Pollution Abatement: Three Case Studies. Economic Development, Environmental Regulation, and the . - Google Books Result Report on a pilot study – methodology and indicative examples . develop cost curves for three case study substances: short-chain chlorinated paraffins .. pollutant, use, abatement potential and costs and, given that each cost curve .. Substitution in use D. Emission reduction efficiency = 100 per cent for use D. Capex. Chapter 55 - Environmental Pollution Control Efficiency and substitution in pollution abatement : three case studies. Author/Creator: Anderson, Dennis, 1937-2008; Language: English. Imprint: Washington Efficiency and Substitution in Pollution Abatement - BookManager 31 Dec 1992 . Efficiency and substitution in pollution abatement : three case studies (English). Abstract. This paper presents the analysis and results of three 1 Measuring Environmental Efficiency of Industry :A Case Study of . ?Los Angeles, Mexico City, Cubatao, and Ankara - Efficient . End-of-pipe abatement risks transferring pollution from one medium to another, . Examples of the main pollutants associated with some industrial air pollution sources . Examples: substitution of less toxic solvents for highly toxic ones used in Control measures in vehicle emissions are adequate and efficient mandatory Developing Country Case-Studies: Integrated Strategies for . - NREL Institutional Options for the Provision of Infrastructure - Google Books Result Discussion Papers present results of country analysis or research that is circulated .
